PIMENTO

Ginger + Tonic + Hot pepper

You'll love the kick

Pimento is a refreshing carbonated beverage that is low in sugar, rather spicy and delicious, made with natural flavourings from Chinese and African ginger, tonic and Jamaican hot pepper.

A genuine spicy ginger ale (also known as 'spicy ginger beer') that also contains natural flavours of bitter orange, lime, gentian and oregano.

Pimento is also enjoyed by people who don't drink alcohol and who are disappointed in classic soft drinks.

Bartenders prefer Pimento because its chilli pepper really enhances the flavour of spirits. The drink is arguably the most versatile mixer there is, suitable for combining with a wide range of spirits. See our recipes at www.pimentodrink.com.

Pimento is also an easy, ready accompaniment for cuisines from across the globe – Mexican, Indian, African, Thai, Spanish, Japanese, Middle Eastern and many more.

Packing: 10-bottle case
