BELUGA TRANSATLANTIC RACING Edition Spéciale

Symbolising success and honouring the Beluga Team's victories

Beluga Transatlantic Racing is a limited edition vodka created in honour of our yachting team, which has won superb victories in a number of prestigious international regattas including the Trophée Louis Vuitton in 2009, the Audi MedCup in 2009, the TP52 World Championship and the Melges 32 racing boat regatta.

Its exceptional recipe – forming the very base of Beluga Transatlantic Racing – combines a traditional blend of barley malt and wild strawberry extract that gives this vodka its famously rich, pure and elegant character.

Ageing: 45 days

The bottle design for Beluga Transatlantic Racing reflects an adventurous seafaring spirit and the romance of sailing boats, with a classic maritime motif that perfectly captures the essence of both this product and the brand itself.

Beluga. Made with pride.

Proof: 40°

Packing: 6-bottle case
